NOW THEREFORE, BE IT RESOLVED that the City Plan Commission does hereby recommend by a motion by Robert Hutner, seconded by Darrell Blanton that this ordinance be returned to the Common Council with a DO PASS recommendation based on the Commission's following "Findings of Fact":

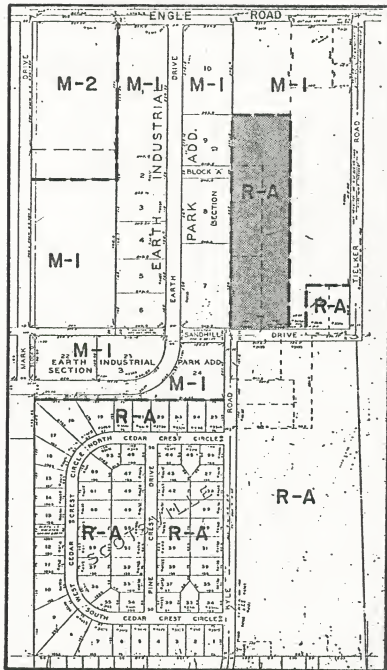

- (1) the grant will not be injurious to the public health, safety, morals, and general welfare of the community;
- (2) the use or value of the area adjacent to the property included in the rezoning will not be affected in a substantially adverse manner;

- (4) the strict application of the terms of the zoning ordinance will constitute an unusual and unnecessary hardship if applied to the property for which the variance is sought; and,
